NEW COMPUTER TEST EQUIPMENT

It's important to stay up to date, especially with modern vehicles.

The latest electronic scan tools are needed to diagnose problems quickly, keeping your car service on time and on budget.

- *We have purchased the latest electronic diagnostic scan tool equipment to check engine management, performance and fault code analysis to ensure your vehicle is running as efficiently as possible.*
- *Our recent upgrade to the latest version saves time on diagnosis and keeps job prices more affordable.*
- *We can also find and fix many potential problems before they become an expensive repair job.*

Happy motoring!
